

2026-13

MEMORANDUM

TO : YORP-REGISTERED YOUTH/YOUTH-SERVING ORGANIZATIONS

FROM : PASIG CITY YOUTH DEVELOPMENT OFFICE

SUBJECT : **UPDATED IMPLEMENTATION GUIDELINES FOR THE YOUTH PARTICIPATION OF ORGANIZATION PASSPORT (YPOP) PROGRAM 2026**

DATE : **March 6, 2026**

Pursuant to **City Ordinance No. 50, Series of 2024**, otherwise known as the **Pasig City Youth Development Code**, Article V, Section 18.1, provides for the establishment of the **Youth Participation Organization Passport (YPOP)** in recognition of the active engagement of duly registered Youth Organizations (YOs) and Youth-Serving Organizations (YSOs).

Building on this mandate, the YPOP Program is open to all Pasig YORP-Registered organizations with active status. Central to this program is the **YPOP Card**—a passport-sized identification tool— that serves as the official record of an organization's engagement. Through this card, YOs and YSOs can earn and accumulate points by participating in government-led initiatives or by implementing their own community activities. For the year 2026, these cards will be officially distributed to all qualified organizations in the scheduled **General Assembly**.

The accumulated points shall be monitored, evaluated, and officially tallied by the Pasig City Youth Development Office (PCYDO) as the basis for granting incentives to the most active and participative organizations in the City. To ensure the program's success, the following guidelines are established:

- 1. The YPOP Card:** This shall serve as the official record of the organization's accumulated participation points in City-led events and activities. Each organization shall be issued **only one (1) passport**, which must be maintained and safeguarded by the organization's duly authorized representative.

1.1 Use of the YPOP Card: The card must be presented to the implementing office for the recording and validation of points upon attendance at any activity.

1.2 Attendance and YPOP Points: Each Program, Project, and Activity (PPA) shall carry a corresponding point to determine the incentives awarded under the program.

To also provide a structured engagement approach, participation is categorized into **three (3) types of activities**:

Type of Program (City-led)	YPOP Points
Mandatory	4
Invitation	3

Partnerships

2

- **Mandatory Activities** – These refer to City-led PPAs issued by the Pasig City Youth Development Office or other Pasig LGU offices through a formal memorandum. Each YO and YSO is required to have members in attendance for these events.
- **Invitational Activities** – These consist of activities that are **not compulsory but are extended as invitations** from the PCYDO for voluntary participation.
- **Partnership Activities** – These are **coordinated PPAs organized by non-government organizations (NGOs), national government agencies (NGAs), or other sectors** that organizations are encouraged to attend as part of broader collaboration efforts.

Building upon these categories, an organization's performance is measured through a percentage-based scoring system. The total YPOP points shall be computed by combining points earned from both City-led and organization-initiated activities as follows:

- **City-led Activities** – Points earned from participation in City-led activities shall be calculated as a percentage of the total possible points allocated for these events.
- **Organization-initiated Activities** – Points earned from programs and activities independently initiated by the organization shall likewise be calculated as a percentage of the total possible points allocated for such initiatives.
- **Total Points Calculation** – The organization's final YPOP score shall be the sum of the percentage-based points from both City-led and organization-initiated activities.

Category	Points Earned	Total Possible Points	Percentage (%)	Weighted Points
City-led Activities	X	Y	$(X \div Y) \times 100$	% of total
Organization-initiated Activities	A	B	$(A \div B) \times 100$	% of total
Total YPOP Points				Sum of weighted points

NOTE: This combined computation shall serve as the basis for awarding incentives and recognizing the most active organizations.

In the event that the PCYDO issues an official memorandum for an activity, the YO/YSO must **strictly adhere to the prescribed number of required participants**. This compliance shall serve as the basis for the corresponding points to be credited, as detailed in the table below:

Number of Attendees Required	Actual Number of Attendance from the Organization	Percentage of Attendance from the Organization
5	4	75%
4	3	75%
3	2	75%
2	1	50%
1	1	100%

NOTE: Failure to meet the required number of participants shall result in the organization receiving only **fifty percent (50%)** of the total points corresponding to the event.

1.3 Timeline of YPOP Card Checking – Every organization's YPOP Passport shall be checked semi-annually to validate attendance in the activities they participated in.

1.4 Loss of the YPOP Card – In the event of the loss of a YPOP Card, the concerned organization shall **immediately notify the PCYDO** by submitting a formal letter. The organization must also provide a narrative report along with photo documentation as evidence of their participation in events, which will be used for the reconsideration and validation of their YPOP points.

1.5 Eligibility for Incentives – YOs/YSOs that have reached the total required percentage (70%) based on the total number of City-led activities mandated by the PCYDO are eligible for the project grant incentives of the YPOP Program.

1.6 Ineligibility – YOs/YSOs that have not reached the required percentage are not eligible for the project grant incentives.

1.7 Organization-initiated Projects – YOs/YSOs that implement their own PPAs will be granted additional points on top of those earned from City-led activities.

1.7.1 Point Calculation for Initiated Activities – Below is the table indicating the total number of organization-initiated activities along with their corresponding percentages, which will be added to the total percentage of the City-led activities required from the YOs/YSOs.

Number of Activities	Corresponding Percentage
1-3	10%
4-6	15%
7-9	20%
10 and above	25%

Table 1. Table of Activities and Corresponding Percentages for org-initiated activities

Note: The activities for the first semester will be counted separately from those in the second semester.

1.8 Activities led by the YOs/YSOs must be implemented **within Pasig City** and need to submit along with the required attachments, (e.g. narrative report and photo

documentation), for validation purposes. Failure to submit these will result in the activities not being counted.

1.9 The organizations that are qualified for the YPOP Program will receive project grant assistance amounting to a maximum of **Php 100,000.00**.

1.10 A Memorandum of Agreement (MOA) will be signed by the recipient organization and PCYDO prior to fund release to confirm understanding and acceptance of terms and conditions in line with the City Accounting Office (CAO) and Commission on Audit (COA) rules.

2. Submission of Project Proposals

2.1 Draft project proposals are written and submitted during the Recent PPA where the YOs/YSOs drafted their project proposal.

2.2 The project proposals submitted are reviewed and finalized by PCYDO. This will be the basis of project grants to be funded if the organization meets the required points.

2.3 The project proposal template can be accessed through bit.ly/YPOPProjectTemplate and shall be sent/submitted at lydo@pasigcity.gov.ph.

2.4 The programs, projects, and activities that the YOs/YSOs will implement shall be guided by the 10 Centers of Youth Participation.

2.4.1 Failure to complete the required template shall result in the proposal being returned for revision. Once changes are made, YOs/YSOs must immediately coordinate with PCYDO.

2.4.2 Failure to revise according to PCYDO's comments and suggestions will result in the disapproval of the project grant application.

2.4.3 Those YOs/YSOs with no revisions will also be notified for the next steps in acquiring the grant.

3. Terms and Conditions

3.1 All YOs/YSOs that will receive their project grants are subject to the liquidation process in accordance with the rules of the City Accounting Office (CAO) and Commission on Audit (COA). The organizations shall submit the following documents two (2) weeks or ten (10) working days from the actual date of program implementation:

- Post-Activity Report (template will be provided by PCYDO)
- Liquidation Report with official receipts or payrolls (for the honoraria of facilitators and speakers)
- Photo Documentation
- Attendance Sheets

Note: All required documents must be submitted in hard copy. Failure to comply will result in permanent disqualification from the next YPOP Program. Additionally, for transparency and accountability, the PCYDO will release the status of each YOs/YSOs' post-activity document submissions on its Facebook page. The status of submissions shall be officially monitored and recorded.

3.2 All recipients of the project grant are required to include the official logo of Pasig City, Pasig City Branding Logo (Umaagos ang Pag-asa), and the Pasig City Youth Development Office (PCYDO) logo that can be accessed in this link: bit.ly/YPOPPASIGLogo in all social media posts, physical materials, and promotional collaterals related to the project.

3.3 The project must be implemented according to the timeline, objectives, and activities as approved. Any changes must be communicated in writing and formally approved before execution.

3.4 The grant must be used solely for the implementation of the approved project as outlined in the submitted and validated proposal. Re-allocation of excess funds is not allowed. The budget breakdown indicated in the proposal must be strictly followed. In case the liquidation did not tally, it will still result in discredit to the organization and disqualification to the next YPOP Program.

3.5 For transparency, photo documentation of implemented activities must be posted in the Facebook pages of each organization and must be shared with PCYDO for verification. In case the organization has no Facebook Page, they can use any personal account of their member.

3.6 The grantee must ensure that the project activities adhere to all applicable local laws, ordinances, and ethical standards. The organization shall bear full responsibility for any violations committed during the project.

3.7 Any misrepresentation of facts, falsification of documents, or failure to comply with any of the above terms may lead to **blacklisting** from future PCYDO opportunities and may be subject to legal actions.

4. Budget Requirements, Conditions, and Limitations

For Programs, Projects, and Activities (PPAs) with budget proposal below Php 50,000.00:

- a. Qualified Youth and Youth-Serving Organizations proposing a PPA with a total budget **not exceeding Fifty Thousand Pesos** may implement their activity for a duration of **one (1) to two (2) days**, depending on the nature and scope of the PPA.
- b. PPAs under this budget range must have a **minimum of thirty (30) participants** and may accommodate up to **fifty (50) participants**, unless otherwise justified and approved by the implementing office.

- c. The proposed budget must be **clearly itemized and cost-efficient**, reflecting the scale of the activity and ensuring that expenses are reasonable, necessary, and directly related to the objectives of the PPA.
- d. Allowable expenses may include but are not limited to, program materials, meals and snacks, honoraria, minor venue requirements, and other essential costs needed for implementation. Non-essential or unrelated expenses shall not be allowed.

For Programs, Projects, and Activities (PPAs) with budget proposal Php 50,000.00 and above:

- a. All qualified Youth and Youth-Serving Organizations are entitled to implement one (1) (PPA) with a maximum funding allocation of **One Hundred Thousand Pesos (Php 100,000.00)**.
- b. PPAs with a proposed budget **exceeding Fifty Thousand Pesos (Php 50,000.00)** must be implemented over a period of **three or more days**.
- c. For PPAs with budgets exceeding Php 50,000.00, the activity must have a **minimum of fifty (50) participants** and may accommodate up to a **maximum of one hundred (100) participants**.
- d. All budget proposals shall be subject to evaluation and approval in accordance with existing guidelines and availability of funds.
- e. Any modification to the activity duration, or participant number must be **formally requested in writing** and approved by PCYDO prior to implementation.

For further questions or clarifications on the YPOP Guidelines, please do not hesitate to reach out to us via e-mail at lydo@pasigcity.gov.ph or call or text us at 0968-864-7737.

Immediate and wide dissemination of this memorandum is desired.
